Our January meeting will be held on January 7, 1976 at 8:00 p.m. at the usual place: the Wheeling Community Center, 251 No. Wolf Road, north of Dundee Road, at the rear of the park.

We have a very interesting program planned. Dick Spirek will speak to us about "What to do When the Snow Gets Too Deep". He will also bring a movie. Don't miss it!

PLAN AHEAD for the AUCTION at the February meeting. Start setting aside all those unused bicycles and components to sell to the rest of us. A minimum will be allowed on these valuable items if you prefer, and the club will keep 10% of everything sold.

Thank you for returning the questionnaires, all six of you. Many good ideas were listed. Return the rest by the January meeting. We've heard a lot of verbal comments and suggestions, but we would like them in writing, please!

An excellent turnout! - fourteen (cold) people rode the Christmas Ride on Saturday, December 27 for a beautiful patch. Phyllis Harmon provided coffee, hot chocolate, and cookies at her home afterward. This was a telephone call-up ride and we did not reach everyone. Sorry about that!
