NEWSLETTER

The next meeting of the Wheeling Wheelmen will be held Wednesday, February 2, 8:00 PM at the Wheeling Community Center, 251 N. Wolf Rd., Wheeling, Illinois.

This will be an especially important meeting and we would like to have as many members present as possible. Our Constitution Committee has been working on a new constitution and will present the fruits of their labor to the members present at this meeting. We would like to set up a final draft of the constitution at this meeting and submit it for vote to the full membership as soon as possible. It is our hope that we can have a new constitution in effect by the start of our riding season.
