The next meeting of the Wheeling Wheelmen will be held Wednesday, September 7, 1977 at the Wheeling Community Center. The meeting will start at 8:00 PM. This will be a very important meeting in that final plans will be made for our ride September 10 and 11. Also a nominating committee will be appointed at this meeting to arrange for next years ticket of officers. Ballots will go out with October's Newsletter.

This months program will be supplied by our own members Howard Paul and Wayne and Helena Hamlin. These members will show slides of these recent European Tours and tell of their many interesting experiences.
