JULY MEETING

Join us at our July meeting and watch some flicks of bicycle races. We're not racers, but it can be exciting as spectators, too. Place: Wheeling Community Center, 131 N. Wolf Road, Wheeling. Date: July 5, 1978, 8:00 p.m.

IF YOU WEREN'T HERE, YOU MISSED ALL THE FUN!

And that was at our June club rides. June was a great riding month and we went to a lot of places, ate a lot of food, saw a lot of sites, and had great fun. Our WHO KNOWS WHERE RIDE took us on a road we didn't know existed and we found an antique bicycle display to look at, too. The KILLER SIXTY didn't kill but introduced a strong wind fatigue factor. We still had a good time and some of us even made it to Arlington's TREASURE HUNT the next day. Now, that was a unique ride with a crazy map by Tom Valenzo. Guess what? Nobody would admit to getting lost. Or maybe the ones that couldn't follow the map never made it back! Congratulations to Gene Pilch. He finally found weather that let him lead a ride to Zion. How many rainouts has the Zion ride had, anyway? And, to cap off the month, a group of us huffed and puffed to the Illinois Railway Museum. It was a perfect day for riding and we moved right along. We had a couple of unplanned demonstrations along the way called the Fulper/Stansfield flat fixing show. Now, everyone who was on the ride knows how to calmly overcome that sinking feeling of the rear rim for both sew-ups and clinchers. Oh, well, what's a little loss of air along the way!

If you weren't with us in June, you had better join us in July or your life just won't be complete!

LET'S RIDE IN JULY:

Summer is here and the riding is at its best. Shine up your trusty spoke spinner, forget the job jar at home, and let's ride!

July 2 (Sun.) GET LOST RIDE. Ever hear of Bull Valley? Me either, but that's where we'll get lost. Bring a sack lunch and a buck if you want a July fourth LAW patch on the second. 'Guaranteed to take you to unfamiliar territory. 90 km. Start at Kildeer School, Long Grove, at 8:00 a.m. Leader: D. Stansfield (885-4270).

July 9 (Sun.) ICE CREAM SOCIAL RIDE. Now, here is a classic! All that old-fashioned ice cream with nuts and whipped cream and maybe even a banana split. 'Better throw in another hill or two to wear all this off! Meet at 10:00 a.m. at Buffalo Grove High School for goodies and 75 km. Leader: F. Woodruff (823-1303).

July 15 (Sat.) CRYSTAL LAKE RIDE. Be a Fulper follower with lunch at a foodery in Crystal Lake - in the town of, that is. You don't have to swim and eat. Meet at Kildeer School, Long Grove, at 8:00 a.m. for this 100 km. ride. Leader: J. Fulper (945-5103).

July 16 (Sun.) HOSPITALITY RIDE. Bring the family and we will host a short ride for interested people in the community to show them the fun of club riding. Meet at Carl Sandburg School, Wheeling, at 2:00 p.m. Leader: R. Figge (446-2945).
