April Meeting

Date: April 4, 1979, at 8:00 P.M.

Place: ABC Cyclery at 320 Northwest Highway
Arlington Heights

Program: ABC owner, Jim Andre'sen will describe the quality of 10 speed bicycles as they cover the range between those suitable for a child or adult beginner and the fine machines that may be better than we really need.

This will be an excellent program for anyone considering buying their first bike, or anyone thinking about upgrading, or those who just like bicycles. Everyone welcome.

Think you know bikes? Ask Jim about the customer who turned down the "offer" of a \$1000 bicycle for \$89.50 because she wanted something better.

St Patrick - Where Were You When We Needed You?

A record breaking 95 eager cyclists turned out to honor St. Patrick's memory (and partake of some choice cycling), but a "brief shower" at starting time didn't stop till about 3:00P.M. Some packed up their bikes and drove home, some packed up their bikes and headed for Kelsey's, some biked out for a few miles and returned, and a few biked out and returned 25 wet miles later.

Among the last category were Sandy Abel and Dave Corron who joined the WHEELING WHEELMEN that day, turned down a sag ride offer with a smile at 18 miles, and finished the tour. Come again Sandy and Dave, and find a lot more sociability on our regular group rides.

It's Kumulate
Kilometer time

I'm out to beat
Don Stansfield
this year.

As we have done for some years, starting with April, records will be kept of ride and meeting attendance. You will be Kredited for all the Kilometers you ride, plus 10 for each meeting. The high scorers will receive special recognition at the season's end.

Ride Safely

It is always safest and within the law to ride single file. However, on traffic free country roads we sometimes ride double, side by side; but, please - form a single file again immediately when those behind call out "Car back". This is not only safest for the biker and the motorist, but is a matter of common curtesy.

Our thanks to Bob of Mahler's Bike Shop in Des Plaines and Jim of ABC Cyclery in Arlington Heights for displaying the mounds of biking items at rockbottom price prices. Jerseys and rear racks were especially hot selling items.

Carol Etscheid and the Henry Levinsky Family are "last second" new members. Lois and I had lunch with Carol at Kelsey's on St. Pat's. She biked to Kelsey's in the rain, but that didn't dampen her great personality.

Some of us met Hank at the February meeting and are looking forward to biking with him.
