## AUGUST MEETING

Date: Wednesday, August 1, at 8:00 P.M.  
Place: Community Center, 131 N. Wolf Rd, just north of Dundee Road  
Program: Preparation for the Harmon 100/50

The Harmon 100/50 on Saturday, Sept. 8, is the annual invitational ride sponsored by your club. We will need your help at the meeting to prepare mailings, to accept flyers to take to a bike shop in your area, and to sign up for a job on Sept. 8. (Club members will ride the Harmon 100/50 on Sunday, Sept. 2.) If you can't make it to the meeting, please give Howard Paul a call at 824-2941 and offer your services for Sept. 8.

If we can finish our work early enough, we'll take a look at some slides of a bicycle tour.

## ANOTHER REQUEST

Please save your gallon plastic milk containers during August. Fill them with ice water, insulate with newspapers or whatever, and bring them with you on Sept. 8 when you come to work on the Harmon 100. Providing enough water for the thirsty bikers is always a problem.

## JULY MEMORIES

We couldn't have drawn a better day for the Huff 'n Puff ride to Union. Many members and guests enjoyed the 84 mile round trip, and several opted for the shortened trip from Algonquin. Larry Wathen must have broken all club records for flats and the record for wrong turns was bent, if not broken, by a few of the fast wheels.

Seven members and one guest took the week long club tour to the Amishland/Lakes weekend. Almost 400 miles were ridden to Howe, Indiana, in perfect weather. Our special thanks to Rich Figge for leading the tour - he did a great job and it is really appreciated by the group.

P. O. Box 581-D, Wheeling, Illinois 60090

## CLUB OFFICES

A nominations committee will soon be at work, selecting candidates for the 1980 club officers. We know you will agree that the WHEELING WHEELMEN is a great club and deserves your efforts to keep it successful. Please say "YES" if you are asked to be a candidate.

## FOR SALE

A set of slightly used Top Flite bicycle rollers is for sale by club member Don Birt - \$30.00. Must be purchased before mid-August. (Phone 980-8169)

Also - a Pacemeter in perfect condition, includes an extra battery and set of wheel magnets. \$35.00. Fred Woodruff (823-1303)

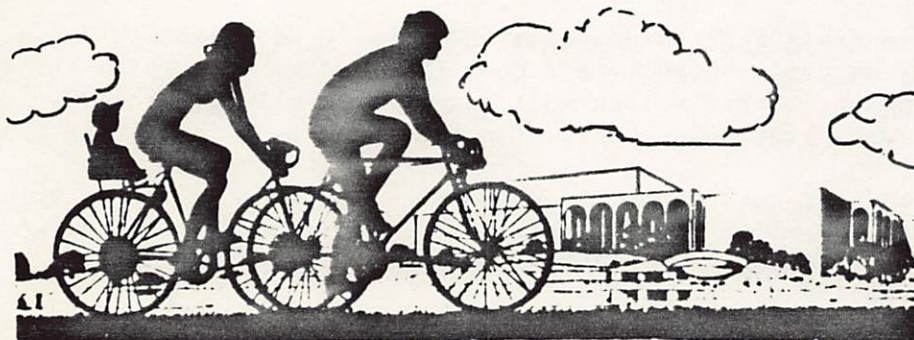

## CLUB PARTICIPATION

We're still totaling Kilometers ridden by members on club events and will continue throughout the season. As was done last year, T-shirts will be awarded to those accumulating a 1000 or more and additional awards to the high scorers. The leaders as of July 7 are the following:
